## **There are two easy steps to become a volunteer:**

### **Step 1: Submission Instructions: (please do not use the “submit” button but send as an email attachment)**

**Method 1:** Send this form as an attachment by doing the following:

- Save this document to your desktop.
- Read the [Volunteer Opportunities](#) and [Information and Policies](#).
- Fill in relevant information and save the changes.
- Email to [volunteers@BEaRESCUER.com](mailto:volunteers@BEaRESCUER.com) as an attachment.

**Method 2:** If you prefer to mail or fax, print the Volunteer Contact Form page, then mail it to 2216 S. Cedar St., Lansing MI 48910 or fax it to 517.485.0960.

### **Step 2: Connecting with the volunteer coordinator and scheduling:**

Once you have submitted your application the volunteer coordinator will contact with you to discuss volunteer options and availabilities. After reviewing the application, our coordinator will connect with you via phone or e-mail to discuss volunteer options. Our goal is to find and schedule you for an opportunity that fills a need for the Mission and works within your schedule. (Please give our volunteer coordinator a few business days to review the application and contact you.)

## **Additional information:**

**Helpful tips:** Please note that our volunteer opportunities are task related and do not involve extensive interaction with guests as we aim to protect and value their privacy at all times.

**Groups:** Initially, our volunteer coordinator will need to only connect with the group contact person. In your reply email, be sure to explain your group size and desires as volunteers. This will help give our coordinator a better idea of how we can accommodate your group. Please note: meal service is *very* limited for groups; however, our thrift store is an excellent location for group opportunities.

**Community service:** If you are volunteering for court-ordered community service, please see the [Community Service Volunteer Form](#). This is not the correct form.

## ***City Rescue Mission of Lansing Volunteer Information and Policies***

**Thank you for being a rescuer! Volunteers are an extremely valuable part of the Mission's ministry. Volunteers allow us to direct resources to the most essential needs of our guests and community. Our volunteers are certainly appreciated! If you or your group will be volunteering on a regular basis, please keep this for your reference.**

***Sign In:*** Every individual person in your group must be signed-in separately (one person can write in all names). Please do not simply put a group or family name. This allows us to verify who has been here and to keep track of volunteer hours. If you do not sign-in, we may assume you were unable to fulfill your volunteer promise.

***Safety and Liability:*** We have a strong interest in volunteer safety. For this reason, we ask that volunteers do not exchange personal information with our guests (i.e. phone number, mailing address, e-mail addresses, "friend" requests on social media such as facebook, or any other contact information). Though our guest's needs and stories may be compelling, situations are not always as they seem. Therefore, we ask volunteers to agree not to give gifts of any kind to guests, including money (dollars or loose change), clothing, personal care products, or any other items. If a guest approaches you with a request, direct them to talk with a staff member. We will do what we can or give the guest information on how to find the help they need.

By completing your application, you confirm that you understand and agree that the City Rescue Mission of Lansing and its staff are not responsible for any injury or property damage arising out of the assigned Volunteer Opportunities, even if caused by ordinary negligence or otherwise. You affirm that you have fully explained any physical or other impairment that might affect your ability to participate in the Volunteer Opportunity, and should you, for any reason, not be able to fulfill the commitments and duties of your assigned Volunteer Opportunity, your participation may be cancelled or another Volunteer Opportunity suggested to you.

***Dress:*** Please dress modestly and appropriately for your volunteer task. Please avoid low cut shirts and do not wear open-toed shoes (such as sandals), shorts, or long/loose jewelry. If you have long hair, pull it back if you will be serving food. In certain situations, volunteers helping around the kitchen may be asked to wear a hat.

***Guest Privacy:*** We ask that you do not take photos, video, or any other recordings on Mission property. For the privacy of our guests, do not take images of our guests or share information about them with others or on social media. Please refrain from asking guests any personal questions or from maintaining a personal relationship with them. (Please note: from time-to-time, Mission staff may take photos of volunteers for Mission use – social media, etc. – if you do not feel comfortable with this, it is your responsibility to notify staff of your preference.)

***Children 18 and Younger:*** We ask that children 6 and under have adult supervision at all times and assist a parent/guardian/family member with their assigned task (e.g. serving at a single station). Children 7 and older can work at their own task as long as a responsible adult is present.

***Unexpected Scheduling Conflicts:*** Staff depends greatly on volunteers. You are appreciated and we rely on you. Therefore, it is our hope and request that you make it a priority to be here for the times you are scheduled. We understand that things come up, and you or your group may not be available to serve or you may have fewer volunteers than you planned. Please let the volunteer coordinator know ahead of time if you won't be able to come or if you will bring fewer people than we're expecting. This allows us to plan accordingly. If you or your group is unable to come and do not let us know OR if you regularly cannot fill your chosen opportunity, we may have to replace you on the calendar. This may also affect future opportunities, so if you feel you will not be able to fulfill your commitment, simply let us know.

***Contact the Mission:*** For questions or scheduling conflicts, please call 517.485.0145. Please do not hesitate to communicate with our staff if you have any ideas or concerns about the volunteering experience here. We are glad to receive any kind of feedback and constructive criticism.
